- *The Company is building proprietary software and tools to access, automate and unlock the tremendous growth within decentralized finance*
- *Liquid Meta is led by a seasoned management team and board of directors with experience scaling growth companies in the public markets*

**TORONTO, December 20, 2021** – [Liquid Meta Capital Holdings Ltd.](#) (“**Liquid Meta**” or the “**Company**”), a decentralized finance infrastructure and technology company, today announced that the Company has received final approval to list its common shares on the Neo Exchange Inc. (the “**Neo Exchange**”). Trading is expected to commence at market open on December 22, 2021 under the symbol LIQD.

“Global asset classes continue to be digitized at an incredible pace. Blockchain has created the ability to move capital frictionlessly over the internet which is revolutionizing the way people make payments. Decentralized finance (DeFi) replaces financial intermediaries with smart contracts to enable seamless financial contracts. DeFi is one of the fastest growing opportunities in cryptocurrency and Liquid Meta is positioned to build the critical infrastructure to monetize this once in a lifetime transition,” said **Jonathan Wiesblatt, CEO of Liquid Meta.**

Over the next 12-months Liquid Meta will be focused on scaling its niche liquidity mining operation while advancing the development of tools and software products to onboard other pools of capital looking to monetize the growth of DeFi.

Neo Exchange has not reviewed or approved this press release for the adequacy or accuracy of its contents.

### **About Liquid Meta**

Liquid Meta is a decentralized finance infrastructure and technology company that is powering the next generation of open-access protocols and applications. The Company is creating the bridge between traditional and decentralized finance while ushering in a new era of financial infrastructure that benefits anyone, anywhere.

### **About the Neo Exchange Inc.**

The Neo Exchange Inc. is Canada’s Tier 1 stock exchange for the innovation economy, bringing together investors and capital raisers within a fair, liquid, efficient, and service-oriented environment. Fully operational since June 2015, NEO puts investors first and provides access to trading across all Canadian-listed securities on a level playing field. NEO lists companies and investment products seeking an internationally recognized stock exchange that enables investor trust, quality liquidity, and broad awareness including unfettered access to market data.

**Cautionary Note Regarding Forward-Looking Information:**

*This news release contains “forward-looking information” and “forward-looking statements” (collectively, “forward-looking statements”) within the meaning of the applicable Canadian securities legislation. All statements, other than statements of historical fact, are forward-looking statements and are based on expectations, estimates and projections as at the date of this news release. Any statement that involves discussions with respect to predictions, expectations, beliefs, plans, projections, objectives, assumptions, future events or performance (often but not always using phrases such as “expects”, or “does not expect”, “is expected”, “anticipates” or “does not anticipate”, “plans”, “budget”, “scheduled”, “forecasts”, “estimates”, “believes” or “intends” or variations of such words and phrases or stating that certain actions, events or results “may” or “could”, “would”, “might” or “will” be taken to occur or be achieved) are not statements of historical fact and may be forward-looking statements.*

*Forward-looking statements involve known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements of Liquid Meta to be materially different from any future results, performance or achievements expressed or implied by the forward-looking statements. Factors that could cause actual results to differ materially from those anticipated in these forward-looking statements are described under the caption “Risks and Uncertainties” in the Company’s Filing Statement dated as of December 17, 2021 which is available for view on SEDAR at [www.sedar.com](http://www.sedar.com). Forward-looking statements contained herein are made as of the date of this press release and Liquid Meta disclaims, other than as required by law, any obligation to update any forward-looking statements whether as a result of new information, results, future events, circumstances, or if management’s estimates or opinions should change, or otherwise. There can be no assurance that forward-looking statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, the reader is cautioned not to place undue reliance on forward-looking statements.*

*Liquid Meta’s operations could be significantly adversely affected by the effects of a widespread global outbreak of a contagious disease, including the recent outbreak of illness caused by COVID-19. It is not possible to accurately predict the impact COVID-19 will have on operations and the ability of others to meet their obligations, including uncertainties relating to the ultimate geographic spread of the virus, the severity of the disease, the duration of the outbreak, and the length of travel and quarantine restrictions imposed by governments of affected countries. In addition, a significant outbreak of contagious diseases in the human population could result in a widespread health crisis that could adversely affect the economies and financial markets of many countries, resulting in an economic downturn that could further affect operations and the ability to finance its operations.*
